Please note: *The Academy's curriculum of all five modules is very comprehensive, and the sequence of its structure is wisely planned, building on the following Module Segments. Therefore, participants must have completed **all** Module Segments to receive a Diploma. Each Module consists of 12 parts on 12 days of five-hour classes, a total of 60 hours, plus 24 hours of recommended home studies and home assignments.*

There is the option to repeat the missed Module Segments later without an additional charge. The missed class or classes may be made up with a Certified Facilitator before the next session for an additional fee. This service fee is \$ 100 per hour, with a minimum of three hours to schedule with the facilitator.

A Graduation Certificate will be provided after completion of all Modules and a review.
